Principal's Message

East Bridgewater High School
June 1, 1955

To the Class of 1955:

It is pleasant for us of the faculty to see you reach the graduation time for which you have worked during the past four years. We are glad with you that you have reached the first major goal of your lives. Yet, in a way, we are sorry to see you leave our school to go on your separate ways. You have been a good class.

The world into which you now move is a troubled world. All the wonderful and speedy means of communication at our disposal tell us so, continually and emphatically. But the world has always been troubled, and youth has always moved courageously into it to assume obligations not of their own choice. It is now your turn.

The world is still your oyster; there are pearls waiting in it for you to find.

Wherever you go and whatever you do, we wish you luck. We have tried to steer you into the habits and ways which have engendered success throughout history. We hope we have helped you. We hope we have given you the tools with which you can help yourselves.

Sincerely,
STANLEY B. GOLDMAN
Principal

This argumentative Senior is the backbone of many a heated debate in American Democracy class. His regard for the common man in all his debates constantly keeps Miss McNally *en garde* during her third period classes . . . Russ is an individualist who likes the out-of-doors, animals, and farming . . . He has a particular interest in a special Senior girl in 215, and he is often observed in town in a green Nash . . . Russ's immediate future includes the U. S. Army.

GRADUATION DAY

Music by Emily Viprino

Words by Donald Pearson and Emily Viprino

The time has come when we must leave these halls,
But here within these walls memories linger on.
The time is nigh when we must go our way;
Ne'er will we go a-stray as we travel a-long.
We sing to thee, our Al-ma Ma-ter.
Hear our voices, as they slowly, sadly, ring.
We'll ne'er forget the pearls you've passed our way.
And in our hearts will stay this Graduation Day.
We'll not forget this Grad-u - a - tion Day

The musical score is written for a four-part vocal ensemble (Soprano, Alto, Tenor, Bass) and piano accompaniment. It features a variety of musical notations including treble and bass clefs, common time (C), and various note values (quarter, eighth, and sixteenth notes). The lyrics are placed below the corresponding musical staves. The score includes dynamic markings such as 'f' (forte) and 'p' (piano), and articulation marks like slurs and accents. The piece concludes with a final double bar line.
